Happy Birthday, Dear MCUM

This year, MCUM supporters have been celebrating MCUM’s 75th anniversary of service provision to Monroe County’s most vulnerable residents. Last month, MCUM held a reception at the Monroe County History Center in honor of the exhibit in the museum’s Community Voices Gallery.

July will also be a month of grand celebrations that you will not want to miss. MCUM will have a display in the Showers Building beginning July 1 and continuing throughout the month. Additionally, MCUM’s childcare students, supporters, and friends will participate in the City of Bloomington’s annual 4th of July Parade downtown. Come and cheer MCUM on (and get some candy!) and check out the float! If you are a former emergency service client, childcare family, volunteer, or employee and want to walk with us, please contact Katie Broadfoot at 812-339-3429x18 for details.

Matchstick Campaign Still Rolling!

MCUM’s endowment at the Community Foundation of Bloomington and Monroe County will ensure MCUM’s essential programs are available as long as there are neighbors in need. The Matchstick Endowment Matching Initiative will help your support of MCUM’s endowment make an even greater impact. For every two dollars donated by the community, the Foundation will add an additional dollar to MCUM’s endowment. This year, MCUM’s Board of Directors has set the Matchstick goal to $10,000. Will you help MCUM meet its goal?

Donations should be made directly to:
   Community Foundation of Bloomington & Monroe County
   101 W. Kirkwood, Suite 32
   Bloomington, Indiana

Don't forget to note that the donation is for MCUM's endowment. For more information about this opportunity, contact Katie Broadfoot at 339-3429 x18 or fundraising@mcum.org. To check on MCUM’s current campaign balance, contact the Foundation at 333-9016.

Mark Your Calendars: “Each One, Feed One” Coming August 22-24

Save the date for MCUM’s ninth annual “Each One, Feed One” Community Food Drive! This year’s event will take place Friday, August 22 through Sunday, August 24.

The goal this year is to collect 15,500 pounds of food over the three-day period—an ambitious jump from the amount of food collected during last year’s drive, but on par with earlier years’ donations.

Last year, generous community members contributed more than 12,800 pounds of food and $1,500 in cash to the initiative. About 200 volunteers gave 740 hours of time to help collect, transport, and sort food donations, as well as spread the word about MCUM’s mission. Community support is critical to the success of the drive, which restocks MCUM’s Food Pantry after summer months, when donations typically decline.

Want to help ensure your neighbors have access to food in times of crisis? This community effort will again rely on 200+ volunteers for a variety of tasks, from event planning to distributing flyers and sorting donations on the big weekend.

Contact Meri Reinhold today at 812-339-3429 x11 or mcum@mcum.org to learn more about the impact you can make with just a couple hours of your time!

Answer the Call for MCUM

When you upgrade your cell phone, stop to consider how to dispose of your old phone responsibly and support MCUM’s programs at the same time! MCUM participates in the Shelter Alliance Program, which pays MCUM $.50-$35 per phone. Phones are recycled or refurbished by this company with zero landfill and no-export policies. In addition, your phone will raise money to fund MCUM’s important services.

Phones, chargers, iPods, and other small electronics can be donated at Opportunity House, MCUM’s offices, and anywhere MCUM items are collected. Please stay tuned for new collection sites in the coming months, or contact Katie Broadfoot at fundraising@mcum.org if you have any questions about this initiative.

Thank You!

We would like to extend special thanks to…

Sponsor a Swimmer

MCUM preschoolers are visiting the pool again this summer! Swimming supports motor skill development, teaches children about water safety, and is a fun way for them to cool off.

Parents pay an additional fee for their children to participate. Your gift of $28 can provide a “swimmership” for a child. Get in a summer state of mind by sending in your donation today!

Congregation Spotlight: First Presbyterian Church

by Katie Broadfoot

One of MCUM’s founding congregations, and currently a member congregation*, First Presbyterian Church has been avidly supporting MCUM’s high-quality childcare and emergency services programs from their inception. Over the course of First Presbyterian’s involvement with MCUM, the congregation and special groups within the First Presbyterian community have contributed $358,650.82 and nearly 33,000 pounds of food, household products, and personal hygiene items to MCUM.

Last fall, First Presbyterian hosted an event in conjunction with Bloomington’s Lotus Festival, entitled, “Eating Around the Equator,” which boasted delicious treats, live music, and fellowship. A portion of the proceeds raised during this event were donated to MCUM, and the agency was given the opportunity to speak during the event. In addition to sharing special event success with MCUM, First Presbyterian Church provides the agency with consistent, monthly unrestricted support, as well as frequent food donations. A number of MCUM’s current and former volunteers are also First Presbyterian Church members. Well-rounded effort from this congregation is very much appreciated and is to be commended - thank you, First Presbyterian Church!

*Member congregations are those groups that made an unrestricted gift to MCUM in the previous calendar year. For more information about MCUM’s relationship with the Faith Community, or to arrange a presentation to your church group, contact Katie Broadfoot at 812-339-3429 x 18 or fundraising@mcum.org.

Renewal of MCUM’s High Standards of Care

Last week, MCUM’s high-quality, affordable childcare program earned renewal of its accreditation from the National Association for the Education of Young Children (NAEYC), and was also awarded a renewed “Level Four” in the Paths to Quality voluntary assessment program. Both NAEYC and Paths to Quality are voluntary quality-focused standards of achievement.

MCUM’s childcare program is the only NAEYC-accredited center in Monroe County that primarily serves low-income families. NAEYC accreditation is based on a program’s comprehensive quality of care, demonstrated by meeting standards based on the latest research on development of young children including the promotion of positive relationships between children and adults, teachers, and the community, the program’s incorporation of an age-appropriate curriculum with effective teaching approaches, assessment of each child’s development and progress, and others.

“We’re proud to be recognized for our commitment to reaching the highest professional standards,” said Meri Reinhold, Executive Director. “NAEYC accreditation lets the community know that children in our program are getting the best care and early learning experiences possible.”

The Paths to Quality status demonstrates MCUM’s ability to meet the health and safety needs of each child, provide an environment that supports children’s learning, support curriculum that guides school readiness, and sustain National accreditation. Tina Burress, MCUM’s Education Coordinator, says that having Level Four status “shows parents that we are passionate about the quality of early childhood experiences of each child in the program.” In fact, high-quality early childhood education programs like MCUM’s have been proven to provide long-term benefits to individuals and families as well as the community at large well into the future.

Congrats to MCUM’s childcare program staff on a job well done!

### Puffins

#### 2–2.5 year olds

**Teacher:** Sarah Norzinskay

The Puffins are welcoming summer with lots of fun water play and summer activities! We will continue to play in the water all of July, which will include the sprinklers, bubbles, a water table, and squirt toys. Other summer activities that the children will partake in are various sensory items, such as sand, rice, playdough, and of course water!

Aside from water play, we will continue learning our numbers and alphabet letters through songs, puzzles, stamps, and books. The children will also be learning about the beach and how people go on vacation in the summer. Some of the books we will read are, “Seashore Baby,” “Minnie’s Vacation,” and “Summer.”

The children will also learn to work with paints in different ways, such as paint brushes, stampers, sponges and bubbles. Many of the activities the children can help make, like the bubbles and paint, will help them understand processes of creating things and will allow them to learn to take turns mixing and stirring.

Overall the Puffins will be very busy with the combination of learning inside and bringing it outside as well.

### Seahorses

#### 2.5–3 year olds

**Teacher:** Jessica Mackie

The month of July will be spent reviewing all that we have discussed over the past few months. Some of the areas we will brush up on are the letters of the alphabet and their sounds, numbers, counting to 10, color names, shapes, and much more. We will review these areas through books, music, play dough, puppets, games, art, and whatever other fun ways we can come up with!

During the month of July, we will focus primarily on:
- The letters Aa-Zz and their sounds
- Numbers 6-10
- Oval and heart shapes
- The colors orange, black, and white
- Counting objects and numbers 1-10
- Classroom and school guidelines
- The right way to wash our hands
- Appropriate bathroom procedures
- Our food experiences for July will be plums and squash

In addition to celebrating all we’ve learned, the Seahorses will continue to enjoy water play during our outside time two mornings a week. Our water play includes sprinklers, water tables, and other exciting activities to cool off and have fun this summer!

As a safety measure, each class has started using “safety buddies” to get from one place to another. The children are encouraged to hold hands with their safety buddy and are asked to help keep one another safe. During July, the Seahorses will discuss why keeping one another safe is so important and work together to come up with additional ways that we can stay safe at school, at home, and everywhere.

Penguins

3 year olds
Teacher: LaDawn Joyner
Aide: Sarah Landrum

During July, the Penguins will be reviewing what we have learned throughout the year. We will talk about plans for the fall, such as who will be moving up and who will be staying a Penguin. We will continue to go to Mills Pool on Tuesdays and have water play on our playground on Wednesdays.

We will be reading Friends at School, The Very Hungry Caterpillar, and Chicka Chicka Boom Boom. As we read these books, we will talk about what we learned from them and test to see if they remember who wrote each book. We will talk about what we learned in school this year and our favorite aspects of school.

The Penguins will measure each other to see how we have grown this year. We will learn to sort things by size, color, and texture. We will watch plants grow and make sensory bottles and lava lamps. But don’t worry, no heat will be used!

During the beginning of the month, we will be talking about Independence Day and what it means for us as Americans. We will be making flags, fireworks, and patriotic paper lanterns.

The Penguins will be doing some fun art projects, as well. We will be painting with colored glue and use eye droppers and measuring cups to do drip and twist painting. We will also be painting with marshmallows. Lastly, we will make plastic cup flowers.

The Penguins will start learning our addresses and phone numbers. We will also be reviewing shapes, colors, numbers and letters, too!

Otters

4 year olds
Teacher: Brittney Denton
Aide: Keelea Kile

The July theme for the Otters is “What We Have Learned.” We will be reviewing the “popcorn” words that we have been learning, as well as the letters, numbers, and letter sounds. Parents can be working with their children at home on talking about and defining their emotions. We are going to continue working on this at school, as well as continuing the steps of Conscious Discipline. The Otters will continue to swim throughout this month on Thursday, and we encourage parents to participate if they are able.

The popcorn words we will review this month include: jump, make, red, run, three, two, up, yellow, this, out, play, want, will, with, now, good, four, not, where, little and funny. The letters we will be learning/reviewing are Qq, Vv, Xx, Yy, and Zz.

This month we will be learning about chronology and time to explain things. We will be learning about the words past, present, and future.

We will be celebrating Independence Day on the 3rd of July with a little party, and parents are welcome to attend. We will also be learning about July 4th and what Independence Day is for. We hope everyone has a fantastic three day weekend!

We will also continue working on:
- Counting, sorting, and patterns
- Letters and numbers 1-30
- Defining, identifying, and handling our thoughts and emotions
- School and classroom expectations
- Writing our names, popcorn words, and numbers

Dolphins

5–6 year olds
Teacher: Kim Clay
Aide: Vanessa Schultz

The Dolphins will start this month preparing for our Independence Day celebrations by making cool crafts, reading books and so much more. We will discuss our country and what makes it great. We will look at a map of the USA and talk about the different states as we find where we live and the different places we have visited. After spending some time talking about Independence Day, we’ll talk about the fun times we can have at the county fair. We’ll talk about the animals we might see, foods we might taste, and the rides we might enjoy if we were to spend time there.

During the last weeks of July we will be winding down from our fun filled schools year as we look forward to a new one. We will talk about the good times we had over the year and what we enjoy most and why. Even though it will be sad to say goodbye to all the fun, we realize that we have a lot to look forward to as we enter a new school year. We will also be saying goodbye to our friends that will be heading off to begin a new journey at a new school. First we will recap on all the fun and exciting things we did in the Dolphin room and end the month with a goodbye celebration.

In addition to learning about Independence Day and wrapping up the school year, we will review our:
- Letters and sounds
- Sight words
- Common core standards
- Using words to express our emotions
