CREATIVE CURRICULUM
What is it and what does it do?

- Promotes research-based teaching practices in all Head Start Early Learning Outcomes Framework (ELOF) domains
- Fully aligns with the ELOF domains and sub-domains
- Provides scaffolding strategies within activities to support children as they move through the developmental progressions
- Specifies developmentally appropriate learning goals and guidance on how to use them for the individualization of learning experiences based on children’s strengths and needs
- Offers comprehensive guidance on ongoing child assessment
- Provides a range of strategies and resources to support parent and family engagement
- Offers comprehensive standardized training and materials to support implementation
  - Includes specific prompts and open-ended questions to extend children’s learning throughout activities
- Provides specific guidance on how to establish well-organized, engaging indoor and outdoor environments
- Provides specific guidance on how to support the development and learning of children who are dual language learners (DLLs)
- Provides specific adaptations for children with disabilities, suspected delays, or other needs
- Provides some guidance on how to integrate children's and families' cultures into the learning environment and learning experiences
